The Gulf Coast Fair.

The Gulf Coast Fair, to be held at
DeFuniak Springs, Fla., next week,
from Thursday until Saturday, prom-
ises to be the best ever held there,
and well worth the time and expense
of attending. The entries in all
classes of farm and agricultural pro-
ducts indicate the show in that line
will be of extraordinary interest.

The program as arranged includes
beginning on Wednesday night an en-
tertainment, gotten up by the Board
of Lady Managers, and those who
have attended anything of the kind
at DeFuniak, know that the talent
there insures something worth see-
ing.

On Thursday the candidates for
Congress, Senator, Governor and the
other State officers, have been invit-
ed to be present and speak on the
issues that are before the people, and
enough of them have already accept-
ed to make it certain that the oc-
casion will be of more than ordinary
interest.

On Friday and Saturday mornings
the Agricultural Station staff of
speakers are to conduct an institute,
speaking on subjects of interest to
the farmers of this section.

On Friday afternoon the horses en-
tered in the driving classes will be
judged, and there will be a military
drill for the silver cup offered by the
Association.

On Saturday afternoon there will
be the old fashioned fiddler contests
for premiums of \$15 and \$10 respec-
tively, open to all old fashioned fid-
dlers, and lovers of that class of
music that makes the toes tingle can-

Biliousness and Constipation.

For years I was troubled with bil-
iousness and constipation, which
made life miserable for me. My ap-
petite failed me. I lost my usual
force and vitality. Pepsin prepara-
tions and cathartics only made mat-
ters worse. I do not know where I
should have been today had I not
tried Chamberlain's Stomach and Liver
Tablets. The tablets relieve the
ill feeling at once, strengthen the di-
gestive functions, helping the sys-
tem to do its work naturally.—Mrs.
Rosa Potts, Birmingham, Ala. These
tablets are for sale by Barclay &
Groover and all druggists. nov-7
